## **9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004).*

1. PHA Goal: **Expand the supply of assisted housing by reducing lease-up time to 10 days and supporting housing development projects.** Over the last five years, unit turn-around time has remained at an average of 59 days. This includes the time to perform maintenance repairs to the units, complete applicant screening and paperwork and getting new tenants into the units. There have been limited opportunities for the HRA to support other housing development projects.
2. PHA Goal: **Improve the quality of assisted housing through improving the PHAS score and increasing tenant satisfaction.** The most recent PHAS score for 2002 was 85, Standard Performer. Since HUD has changed the requirements for completion of PHAS, no assessment was done in 2003. The next PHAS submission will be in 2004.
3. PHA Goal: **Provide an improved living environment by implementing de-concentration measures.** This goal is not applicable, as none of the public housing developments are higher-income than others. While it is preferable that tenants be placed in the unit that has been open the longest, applicants are shown all available units that fit their bedroom size and may choose which unit best suits their needs.
4. PHA Goal: **Promote self-sufficiency and asset development of assisted households by increasing the percentage of employed persons in assisted families providing tenants with access to supportive services.** Sixty-four percent (64%) of all tenant income comes from employment income. Staff is in continual contact with area service provider and makes recommendations to tenants about any services that may be of benefit to them.
5. PHA Goal: **Ensure equal opportunity and affirmatively further fair housing by implementing the Equal Housing Plan of the HRA.** The Equal Opportunity Plan is strictly adhered to and all applicants and tenants are treated in accordance with that plan.

### **B. Criteria for Substantial Deviations and Significant Amendments**

#### **(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **a. Substantial Deviation from the 5-Year Plan**

A substantial deviation from the 5-year plan is when existing public housing programs will be reduced or terminated or when new public housing programs, such as HOPE VI, will be created and implemented.

#### **b. Significant Amendment or Modification to the Annual Plan**

A significant amendment or modification to the Annual Plan is when existing public housing programs will be reduced or terminated or when new public

housing programs, such as HOPE VI, will be created and implemented.

In addition, a significant amendment or modification to the Annual Plan is when there is a change in the Admissions and Continued Occupancy Plan, not required by HUD, that has a major impact on existing public housing tenants, such as:

- Changing income, expenses or deductions used in calculating rent amounts
- Changing percentage of income tenants' must pay towards rent
- Increasing required number of work hours for community service requirement exclusion
